MANYA

A magazine that presents a serialized story in the form of a comic strip, typically featuring the adventures of a superhero..

Animation films are a dynamic blend of art and storytelling, created through a meticulous process that brings characters, environments, and narratives to life.

Gaming has evolved into a dynamic and multifaceted industry, offering immersive experiences across various platforms.

Music is an art form whose medium is sound and silence, expressing thoughts, emotions, and atmosphere.

OUR MISSION

We aim to inspire the next generation of scientists, thinkers, and explorers by unlocking the power of science through story telling. We believe that science should be fun, not feared, and that everyone to be curious and amazed.

"LET'S LIVE IN THE IMAGINARY WORLD WHERE REAL HAPPINESS EXISTS"
